**" Be sure to change the batteries  
in smoke detectors every 6 months..."**

## South Schenectady Fire Prevention Program

The South Schenectady Fire Department has been active in fire prevention training for many years. The program is overseen by the chief officers of the department. Every year we visit Jefferson School and teach students from Kindergarten to second grade about the importance of fire prevention. We also visit the daycare program at OLA church. Every year the fire department also hosts an ever growing open house in order to inform the community of the importance of fire prevention.

### 2007 Fire Prevention Schedule

Date	Time	Place / Event
October 7 <sup>th</sup>	12:00pm - 3:00pm	SSFD Firehouse - Open House
TBA		
TBA		
TBA		

We also conduct tours of the firehouse throughout the year. If your group wishes to conduct a tour, contact Mike France at (518) 528-1765 or 2ndchief@ssfd.net (email).

Remember that fire prevention happens throughout the year!
